TERRA NOVA STANDARDIZED TEST WEEK (9/17-21) FOR GRADES 1-8. It is very important that your child attend school test week. They need to get sufficient rest and eat a good breakfast so that they will be able to do their best on these standardized tests. The answer sheets and booklets will be picked up by McGraw Hill on October 1st. There will be little time to make up any test and it is sometimes difficult to focus and do one's best when one has to make up a test.

POWERSCHOOL goes online September 11th. Letters with your new passwords for 2007-2008 are in today's yellow envelope. Everyone has a new password for this school year.
